

Brand Guidelines & Partner Resources

Official guidance for customers, partners, publishers, media, and website owners who reference WingsHoster or use WingsHoster brand assets.

1. About WingsHoster

WingsHoster provides web hosting, VPS, dedicated servers, domain registration, reseller hosting, and infrastructure solutions for businesses, developers, and organizations worldwide, with a focus on customers in India and Malaysia.

2. Official Website

Primary website: <https://www.wingshoster.com/>

The .com domain is the official primary WingsHoster website. The former wingshoster.net domain redirects to the .com domain.

3. Brand Name

Preferred brand name: **WingsHoster**

Use the brand name exactly as written. Do not change capitalization to Wingshoster, WINGSHOSTER, or Wings Hoster.

4. Logo Usage

Use the official WingsHoster logo without altering its proportions, colors, wording, or typography. Keep sufficient clear space around the logo so it remains easy to recognize.

Approved use	Not permitted
Original logo files	Stretching or compressing the logo
Correct colors	Changing logo colors without approval
Adequate clear space	Adding shadows, outlines, or effects
White/dark-background version where appropriate	Rearranging logo elements

5. Brand Colors

Color	Purpose	HEX
Primary Navy	Navigation, headings, footer	#0B2454
Primary Blue	Buttons, links, accents	#146EF5
Accent Red	WingsHoster logo accent	#E53935
Light Background	Cards and page backgrounds	#F5F8FC

White	Logo and clean backgrounds	#FFFFFF
-------	----------------------------	---------

6. Referencing WingsHoster

When mentioning WingsHoster on a website, article, portfolio, case study, or partner page, use natural wording that accurately describes the relationship. Examples include:

- WingsHoster
- WingsHoster hosting
- Website developed by WingsHoster
- Our VPS is hosted with WingsHoster
- Learn more about WingsHoster

7. Linking Guidelines

If you choose to link to WingsHoster, please link to the page that is most useful to your readers. The primary website is <https://www.wingshoster.com/>. Do not use misleading descriptions or imply an endorsement, partnership, or relationship that does not exist.

WingsHoster does not require a particular keyword-rich anchor text. Natural descriptions are preferred.

8. Brand Assets

Official assets may include the primary logo, dark-background logo, transparent logo/icon, and other approved media assets. Always use the original files supplied by WingsHoster and do not recreate or redraw the logo.

9. Media & Partnership Inquiries

For media requests, partnerships, technology collaborations, business inquiries, or questions about brand usage, please contact WingsHoster through the official contact page on [wingshoster.com](https://www.wingshoster.com).
